Plans **F & G** pay the difference (if any) between the amount charged by your physician and the Medicare allowable amount, regardless of whether your physician accepts Medicare Assignment, at 100% of this excess amount. The out of Pocket Maximum on plan **K** is \$5,880 in 2020, plan **L**, \$2,940 in 2020. These out of

pocket maximums will be adjusted annually. Plan **F+** is a high deductible plan **F** (benefits begin after a \$2,340 calendar year deductible in 2020, adjusted annually)

\*\*\*United HealthCare (**AARP**) plans require membership in AARP and annual dues. Early enrollment discount applies if coverage effective date meets guidelines. Discounts decrease 3% each year to age 77 on your anniversary date. See booklet for other rate bands. \$24 discount for annual premium mode.

\*Please see carrier brochures and rate sheets for most current rates in your zip code, descriptions of benefits, limitations, exclusions, etc. A “guaranteed issue” opportunity exists at the time you initially sign up for Medicare, and at certain other times. You may be required to answer health questions to qualify for plans if you make changes outside of these periods.
